A written statement addressing each issue below in the order outlined shall be submitted with this application.

- B. The design review application, as previously approved, remains in the best interests of the health, safety, and general welfare of the city;
- C. There have been no significant changes to city code between the date of application approval and the application date of the time extension request that would require substantial modifications to the project;

- F. The applicant has provided a viable and acceptable plan which demonstrates how the completion of the design review application will commence within the year; and

The City Council reserves the right to revoke the extension of time approval if it finds that any of the criteria herein are not met.
