THINGS TO DO BEFORE RACE DAY

Decide what to wear. The weather in April can be unpredictable. Make sure to dress weather appropriate and bundle up if necessary. Regarding your clothing- please come wearing neon or glowing clothing. Racers will not be allowed to race in dark clothing due to it becoming a race hazard in the dark.

What to bring: Recommended items include: an empty water bottle, photo ID, credit card, comfortable running shoes, glow sticks/ headlights/ flashlights, and a light coat. Backpacks, outside food, beverages, and coolers are not allowed into the event.

PARKING

Parking is free of charge but is very limited. The parking lot at Merrill Park will only be available for Uber, Lyft, and disabled drivers. Parking will be available in the lots surrounding Merrill Park as indicated by the map below. Please do not park in front of road entrances.

CHECKING IN ON RACE DAY

Racers must go to the sign in table at the venue to get merch and a wristband. You will not be able to purchase drinks or participate in the run without a wristband.

- **ID & Waiver:** You need to bring a photo ID to verify your age, but you DO not need to bring a copy of your signed waiver. All people need their ID regardless of age or appearance, you will be turned away without one.
- **Beer Wristbands:** All racers will get one wristband to verify your ID. These will be given to you during sign in at the event. An additional wristband will be given from our beer vendor after they have checked your ID.
- **Free merchandise:** That's right! You get free stuff just for attending. We change our giveaways and prizes every year. Please make sure to check in with our sign in table to receive your free gifts.

SAME DAY REGISTRATION

We ask that you please plan ahead and take advantage of our discounts with online registration. Tickets will not be available at the door.

INCLEMENT WEATHER

Rain may be in the forecast and though we're hoping to get some of that rain before race day to help clear the air, we're also hoping for it to be dry and pleasant the evening of the run. In any event, the run will be held rain or shine! In the event of any of the following, the race will be canceled: severe weather storms, severe lightning showers, flooding affects transportation, or the governor declares a weather emergency and asks people to stay off the roads. In the event of inclement weather cancelation tickets will not be refunded. We apologize for the inconvenience.

PHOTOGRAPHY

A photographer will be taking some high-resolution images of the event. Please contact us if you would not like your photo used for posting on Facebook, our website, or promotional material. If you would like a copy of these images- we will post a slideshow on our website and our Facebook in the week following the event. A selfie station will also be in operation in the DJ area during the event.
