Water Department

2021 Backflow Prevention Assembly Tester List

Provided as a Courtesy by the City of Eagle (is not all inclusive, check local listings).

Customers are responsible for verifying pricing, services and current licensing.

Confirm with your tester whether to leave your device OFF or ON.

The City of Eagle will not make adjustments to high bills resulting from devices which malfunction or are left in the incorrect position.

The City of Eagle expresses no opinion of or recommendation for any licensed Tester
