RE: GREENBELT CLOSURE

Eagle, ID - A portion of the greenbelt is closed to all users until further notice. The natural surface trail, located between Laguna Point Subdivision and the river, runs along the south side of the South Channel of the Boise River from Eagle Road east to the paved greenbelt. **No detour is available on the south side.** Work crews and equipment will render the trail unpassable. Greenbelt users wishing to travel east from Eagle Road may do so using the trail that runs along the north bank of the North Channel.
