

2016 Summer Camps

Eagle Fun Camps- Ages 6-10

Eagle Fun Camps are theme-based day camps for elementary-age children. Every week of Eagle Fun Camp contains traditional summer camp activities, regardless of the theme. Our traditions include many games, crafts, unstructured play, exploration, and small group activities. Children will also have the opportunity to attend field trips around the Treasure Valley that relate to the theme of the week and introduce them to different places in our community. The days are an intricate balance of planned activities & child-directed choices. We can't wait to explore our entertaining and educational themes with your child, make new friends, and have fun!
