Greenbelt Connects to East Eagle

The newest section of paved Greenbelt is now open for public use in Eagle. The path is located off Edgewood just south of Highway 44. This connecting piece of paved pathway acts as the connector to the north side of the north channel of the Boise River.

The City of Eagle is proud to offer the newest addition, "We appreciate healthy collaboration between the City, MDG LLC, the Pacific Companies, Caleb Roope, Nampa Paving, and Charlie Wood. Relationships like these speak to the dedication we all have to our community. Together we can continue developing pathways for public use." Mayor Jim Reynolds.
