

Mayor Stan Ridgeway, Welcome to Eagle:

Eagle is a uniquely beautiful, friendly and family-oriented community nestled in the Boise foothills. Our surprisingly mild climate encourages outdoor activities year-around where residents can take advantage of our numerous recreation activities, on the river, in our parks and trails. City leaders have committed to working with our Treasure Valley partners to ensure that Eagle residents' voices are heard on important issues facing our community such as transportation, education and public safety.

As you can see, we are passionate about Eagle, the place we call HOME! The City invites you to take part in the **Eagle is H.O.M.E** project, an 18-month process to update the City's long-range growth plan. From January 2016 to July of 2017 the City will be working with our citizenry, the Chamber of Commerce and businesses to review the existing plan and proposed changes. Share with us what makes Eagle is **Healthy, Optimistic, Multi-faceted, and Economically viable.**
