**Program Description:**

The City has made available \$2000.00 to encourage the installation of solar panels in residential areas of Eagle. People who reside within Eagle City Limits will be eligible for a rebate of \$200.00 with proof of installation for the current year of 2019. The objective of the program is to encourage the use of alternative energy within Eagle. The program will extend through September 13, 2019, or while funding is available.

**Rebate Requirements:**

- Must reside within Eagle City limits. Available to residential participants only.  
*Not available to Homeowners Associations or commercially zoned properties.*
- Limit 1 (one) per household
- Rebate request forms must be submitted within 15 days of solar panel installation.
- Requests must be received by the City no later than 5:00 p.m. (MST), September 13, 2019.

Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**HOW TO APPLY:**

Rebate requests may be mailed to the address listed above, or e-mailed to: [clerks@cityofeagle.org](mailto:clerks@cityofeagle.org) ~ please denote **Solar Panel Rebate** in the reference line.

**Did you remember to:** *We are unable to process your request without this information*

- Attach proof of purchase (a copy of the receipt)
- Attach copy of approved final electrical inspection.

*Anticipated processing time is 10-15 working days.*
