

Eagle Trail Etiquette

- **Pedestrians have the right of way**
 - Cyclists and others need to watch out and yield for pedestrians.
- **Keep to the right.**
 - Keep to the right except to pass, and be careful at bridges and corners.
- **Pass on the left.**
 - Cyclists must notify others when passing. Use a bell, a horn, or holler "On your left!"
- **Don't block the path.**
 - At most, travel two across so others can pass on the left.
- **Dogs on leash.**
 - Please keep your dog on leash and under control while on the Greenbelt.
- **Keep it clean.**
 - Don't toss your trash on the side of the trail. Find a garbage can or throw it away at home.
