- Detailed letter of explanation or justification for the application, describing the project and design elements, and how the project complies with the Design Review standards and the [Eagle Architecture and Site Design Book](#) . Fully explain and describe how the building’s architecture complies with one of the nine architecture themes within the EASD.
- A written statement addressing each issue below in the order outlined “A” through “I”. The applicant shall address how the design review:
  - A. Will function in conformance with the applicable strategies of the Eagle comprehensive plan and is in accordance with the regulations of this code;
  - B. Is of a scale, intensity, and character that is in harmony with existing conforming and planned development in the vicinity of the site;
  - C. Is designed with adequate off street parking facilities in such a way as to not interfere with ingress/egress to the site and will serve the intended use so as to not cause conflict with adjacent uses as anticipated within the zoning district;
  - D. Will not interfere with the visual character, quality, or appearance of the surrounding area and city, and where possible, enhance the continuity of thematically common architectural features;
  - E. Will have facades, features, and other physical improvements that are designed as a whole, when viewed alone as well as in relationship to surrounding buildings and settings;
  - F. Will not obstruct views and vistas as they pertain to the urban environment and in relation to artistic considerations;

- G. Will provide safe and convenient access to the property for both vehicles and pedestrians through patterned traffic circulation and connectivity to abutting development;
- H. Is in the interest of public health, safety, and general welfare promoting a pedestrian friendly and walkable environment in balance with protecting a viable commercial center in the area; and
- I. Will have signs, if proposed, that are harmonious with the architectural design of the building and adjacent buildings and will not cover or detract from desirable architectural features.

- One (1) vicinity map (8 ½" x 11") at 1" = 300' scale (or similar), labeling the location of the property and adjacent streets.
- One (1) 8 ½" x 11" colored aerial photos depicting proposed site, street names, and surrounding area within five-hundred feet (500"). The purpose of these photos is to view the site for existing features and adjacent sites.
- Copy of Deed; and, if the applicant is not the owner, an original notarized statement (affidavit of legal interest) from the owner stating the applicant is authorized to submit this application.
- Detailed floor plan(s) to scale. (No smaller than 1"=30', unless otherwise approved.) One of each plan (site, landscape, elevation, and floor plan) is required to be submitted in the following plan sizes:
